DARKEN YOUR GRAY HAIR— LOOK YOUNG

Enjoy the Pleasures of Youth. Q-Ban Hair Color Restorer Highly Praised.

You may feel young, but that gray, faded, stringy hair betrays you. Most folks judge by "looks," and that is the reason you have been shunned by the younger set. They think you are too old for them.

Nothing makes you look old and haggard, like lifeless, thin, faded or gray hair. You might have the best of health physically, but your gray hair robs you of enjoying it because it puts you in the old folks class.

You don't have to go through life with this disadvantage by being gray haired. Q-Ban (pronounced Cu-Ban) Hair Color Restorer is making thousands happy by bringing the beautiful dark color of our youth back to their hair, and making it full, evenly dark, long and soft. Not a sign of gray shows after they use it a few days. Then you look young and attractive again.

"Q-Ban" Hair Color Restorer is a clean liquid that anyone can easily apply to their hair and scalp in the privacy of their room. Absolutely harmless, no dye, no trouble, already fully prepared. You can stop all other hair color restorers and use Q-Ban as it is the best and is healthy for scalp and hair. Ask any druggist or toilet goods counters. Directions with each bottle adv.

Co-Workers Surprise Vestal As He Quits Western Union

When Ralph Vestal left the employ of the Western Union Saturday afternoon, after 23 years' service as night operator, his many friends presented him with a hunting coat and vest and a chest of silverware. After a short rest at his farm in Missouri, Ralph will return to Memphis to engage in the brokerage business.

It is a matter of history around the Western Union office that no other operator has been held in the same high esteem as has Vestal. He has been a friend to all and in return has been admired by the entire force. His original popularity was established among the baseball fans, due to his inimitable style in detailing, play by play, the read games of the Memphis baseball club. Ralph knew baseball and the fans knew Ralph—a combination hard to beat.

When Ralph was summoned to the center of the operating room Saturday he was taken by surprise. The presentation was made by Edward J. Norton on behalf of the traffic force. For once Vestal's speech failed him. Something misty sprang up before his eyes and as he blinked out through the haze he merely murmured, "I thank you, friends—every one of you."

BURGLAR, FLUSHED; SHOOT, MISSES, FLEES

Police have found no trace of the burglar who fired a shot point blank at Dr. Elby D. Martin, 1601 Goodbar place, Sunday night when the physician accidentally flushed the raider as he was attempting to enter the room. Dr. Martin stepped into the room, and then retreated precipitately when two shots rang out. Luckily, the burglar's aim was poor. After firing the lawbreaker fled, before police, summoned by the doctor, arrived.
